

Partnering for Success!

Call for Abstracts!

2024 SAME Southeast Tri-Regional Joint Engineering Training Symposium (JETS)
June 25-27, 2024

CALL for ABSTRACTS: SAME Savannah and Charleston Posts are now accepting submissions for technical session proposals for the 2024 SAME Southeast Tri-Regional Joint Engineering Training Symposium (JETS) to be held June 25, 26, and 27, 2024. Speakers are invited to submit abstracts regarding current topics using the theme “Partnering for Success” as related to Architecture, Engineering, and Construction (AEC) Sustainability, Resiliency, and Environment. We’re looking for your best session ideas to help attendees advance their professional development, knowledge, and develop partnering skills.

The technical sessions are scheduled for Wednesday, June 26. They are divided into approximately 50-minute timeframes. Each presenter will have 35–40 minutes for his/her presentation and 10–15 minutes for questions/ answers and discussions. Presenters are encouraged to submit presentations pertaining to their unique and relevant research, case studies, projects supporting the topic of “Partnering for Success”. Supporting the theme could include teaming partners (Prime/Sub, JV Partners, GC/Designer, Government/Industry, etc.) presenting together, and discussing logistics, successes, and lessons learned from the partnership during the presentation. *While presentations for any topic or location relevant to SAME are welcome, there is a preference for those located within the Area of Responsibility of the Federal Agencies supported by SAME posts within the Southeast Tri-Region (SAME Carolinas, SAME Gulf Coast, SAME Southeast, including CONUS and OCONUS Missions).*

SELECTION PROCESS SCHEDULE

Call for Abstracts Opens: **January 8, 2024**

Deadline for Submission: **March 1, 2024**

Acceptance Notifications: **March 29, 2024**

Deadline for Final Presentation, Bios, and Headshot Photos: **June 1, 2024**

SUBMISSION INSTRUCTIONS

All speakers must submit an abstract of their 40-minute presentation. Each abstract must contain the following information:

- Use the provided form to submit presenter bios and topic abstracts.
- Title of topic/subject matter (10 words or less)
- Biography of the presenter or each panelist (approx. 125 words)
- Description of presentation (approx. 200 words, be concise)

All questions and submissions should be emailed to:

Scott DeGaro at scott.degaro@bargedesign.com

Kathleen Hamrick at kathleen.hamrick@arcadis.com

INFORMATION FOR PRESENTERS

- Presenters are requested to register for the conference as attendees.
- Provide final presentations, speaker biographies, and headshots by June 1 and bring a back-up of presentation on a thumb drive or similar.
- Check-in June 26 at registration desk to confirm you have arrived.
- Arrive at presentation room 10 minutes prior to presentation time.
- Laptops, projectors and audio equipment will be provided for presenters by the host facility.
